

## BARNET EARLY INTERVENTION CENTRE

### **‘Making Sense of Autism’ Early Years – Twilight Session**

*The making sense of autism training will give you a better understanding and awareness of autism and the way it affects young people in the early years settings*

#### **Aims of the Course**

- Identify the four key areas of difference that need to be taken into account when working with children on the autism spectrum.
- Know the importance of understanding the individual child on the autism spectrum and their profile of strengths and weaknesses.
- Identify the key areas to help children on the autism spectrum build positive relationships with staff and their peers.
- Know that many children on the autism spectrum can be unusually sensitive to everyday sights, sounds, touch, tastes and smells. This can affect their learning and emotional state.
